Please take a moment to look over the wide variety of poinsettia plants that Chelse's Greenhouse is proud to offer this 2008 holiday season. All poinsettia cuttings start at the Paul Ecke Poinsettia Ranch and are then propagated and cared for at the Chelse's Greenhouse grow houses in Elizabeth, Pennsylvania for six months beginning back in June.

We encourage you to stop in and see the poinsettia plants as they mature at Chelse's location Elizabeth, Pa (on Rock Run Road near Butler's Golf Course).
